The Football Season Is Open

Hurricane Stay Away From My Door

Barium football season opened on Friday, September 14th. The game was with Mooresville and it was a good game, but before we start telling you about that, let's talk about the weather.

When you read this you may have forgotten, but September 14 was hurricane weather. It started to rain on Thursday and it looked like the bottom had dropped out. It rained all Thursday night and all Friday morning and part of Friday afternoon. When we held our pep meeting Friday noon, we couldn't think much about the game for thinking of the weather, but about an hour before game time it stoppel raining. During the game the sun came out and the conditions were delightful for that game, and it was a grand game. The weather stopped a good many people from coming which was a pity but even at that there was a good crowd present.

Now about the game. Mooresville kicked off, Barium received and on three trials failed to gain, so Barium kicked. The boy doing the the kicking was Roscoe Smith, playing his first game as a backfield man - last year he was center on our team. Well, he got off a pretty good kick and then Mooresville took over and after making a first down they kicked and then on about the third down Barium kicked and this was some kick - it carried over the safety man's head and rolled down to about the twenty-yard line in Mooresville territory.

The second play after this Mooresville fumbled, Barium recovered and from that point Barium marched for their first touchdown with Roscoe Smith carying over for the score - the try for point after touchdown failed. This score was made early in the second quarter and the game stay just that until the third quarter, then with the ball deep in Mooresville territory Mooresville attempted to kick, the kick was blocked, Barium recovered and from that point she marched to the second touchdown with Jack Clark carrying over. Again the try for point failed. Earl Allen was the boy who blocked that kick and Jerry Young recovered.

It looked like this was going to be the final score but in the last two minutes of play Barium opened up a passing attack with it ending up in another touchdown with Earl Adams scoring this time. The point after was good by a pass Adams to Clark and that was about the prettiest play of the game. Clark and the man defending him both caught the ball - they held on to it so tight that it locked for a time as though the ball would have to be sawed in two, but after the referee declared the point good they finally gave up the ball.

Mooresville has a good team and by the time you read this they will probably have proved it in other games. Barium was fortunate to win the victory by so large a score.

Maybe the excellence of Barium's play can be explained by the crowd. It wasn't Home-Coming Day, but there were so many old timers present that it must have

The Message of the Pulpit

By REV. R. S. ARROWOOD

Habakkuk 2:20 "The Lord is in His holy temple, let all the earth keep silence before him."

There is a time when silence is awful. When there is no voice from heaven. When there is no voice within us. Nothing but darkness and silence and loneliness. I have experienced that. So perhaps have you. There is a time when silence is sin. "When I kept silence my bones waxed old through their roaring all the day long." But, when the Lord is in His holy temple, let all the earth keep silence before Him.

There is healing in silence. There is reverence in silence. We enter the portals of His great temple of nature. The draperies of night have been let down and in the velvet dome, the candelbra of heaven are lighted.

"Silently, one by one, in the infinite meadows of Heaven blossom the lovely stars, the forget-me-nots of the angels."

Perhaps we go some bright morning and sit down by some rippling water fall in a quiet valley. The walls of verdure clad mountains. The carpet of grass and flowers with the deep blue sky for a ceiling.

"Not a sound uttered—but deep
And solemn harmony pervades
The hollow vale from steep to steep,
And penetrates the glades.

And a still small voice whispers, "The Lord is in His Holy Temple, let all the earth keep silent before Him."

There, too, should be quiet, silent worship in the Church, His earthly temple. The world is so noisy.

A Real Need

A real need at Presbyterian Orphans' Home is a movie projector for the use of our schools.

In these days when visual education is coming more and more into prominence the use of educational films is becoming increasingly useful. The methods used in army training have demonstrated the effectiveness of this type of instrument. Many excellent films may be gotten free and many others for a nominal charge.

This machine also will be needed when we are ready to show pictures of the Home in the churches of our Synod. Owing to the unsettled conditions and the scarcity of supplies no plans have been developed as yet. But we hope before many months that we can begin work on this project.

We are sure that the showing by Mr. Ernest Milton of the movies of the Home taken some years ago did much to acquaint the people of the state with our needs here and to give many of our friends a better idea of the work of the Orphanage. Mr. Milton's equipment was developed before the use of sound in movies. Also color photography has added much to the attractiveness of movies. We believe that new equipment will not only add much to the teaching power of our schools but will also be most helpful in the presentation of our Orphanage work.

Thanksgiving Offering For Past Twenty Years

For twenty years now we have each year kept the record of the Thanksgiving Offering separate from the regular offerings of the churches.

It is interesting to trace the developement of the offerings during these twenty years. A study of them will reveal not only the ebb and flow of prosperity in our state but also the value of various crops for certain crop years. For instance 1925 was a great tobacco crop year and the gifts of that year in some sections has never been surpassed. Also, of course, they reveal the interest and ability of the local church to give to the Home. We are glad that this interest and ability continues to grow.

See pages three and four of this issue of The Messenger for the Thanksgiving tabulation.

The machinery, the horns, the whistles, the bells, the brakes, the raucus voices. There is a clash of noise against noise, a confusion of sound.

Its din is ever in our ears. Its impact batters upon our nervous systems beating and bruising them. Oh the blessing then of a quiet hour in the house of God when, silence, like a poultice comes to heal the blows of sound.

Silence is comely in God's house because it is the attitude of listening. One reason I think God does not speak to us is because He would have to interrupt us in order to speak.

And then when we withdraw into the sanctuaries of our own soul, silence is most healing and helpful. Amiel in his journal has said, "Reverie, like the rain of night, restores color and force to the thoughts which have been blanched and wearied by the heat of the day."

After all, worship is a personal thing. If we cannot find God, if we cannot hear Him in the chapel of our own hearts we cannot ex-

A GOLDEN SOUL

(From The Lutheran)
By Dr. Oscar Blackwelder

One of Washington's finest and best closed his ministry last week. He was 94 years of age and preached his final sermon June 10. He had served his congregation for 63 consecutive years. He was 14 years of age when Lincoln's Proclamation made him free. He recently turned lown an honorary degree from a certain university. That same institution had given him the same degree so long ago that everybody had forgotten. His name was Dr. Walter H. Brooks, negro pastor of the Nineteenth Street Baptist Church. There was no more trusted, beloved and respected citizen in Washington by all classes, all creeds, all colors. He had a tremendous ministry.

Home-Coming Day At Barium Will Be Oct. 19

There has been more mention of Home-Coming Day this year than in any other recent year.

It doesn't seem to matter just when it is held just so it is held. There are more people just hungry for a chance to see each other and to see Barium Springs again than ever before.

Ever since we have had Home Coming Day we have had it late in November anl somehow the weather is more often bad than good along that time of year, so this year we are trying an experiment - Home Coming Day will be the nineteenth of October, a month earlier than we usually have it. We believe that the weather will be better, it won't be mixed up with any other holiday, and we hope that more people can concentrate on this day than one nearer Thanksgiving.

The football game will be with Lexington that day and Lexington always produces a good game. By the way, our games with Lexington is the longest continuous series that we have. It started in 1928 and there has been a game every year and the list of victories is about Even-Stephen — You will see a good game.

If the game with Mooresville is any indication we should have one of the biggest crowds of returned servicemen ever. There were at least twenty-five Barium alumni, men and women, back for our Mooresville game, there should be two hundred and fifty at Home Coming Day.

It won't be long 'til this day comes around so make your plans, get your ducks in a row and notify the Secretary, Mrs. Ed Flowers, Statesville, N. C., if you want to - if not, just come on anyhow. We will try to cook up enough vittles so that you won't go away hungry.

pect to meet Him anywhere else. But He will be found of us if we seek Him with the whole heart.

Truly blest are those who have that peace and calmness which only comes to those who know the secret, "Be still and know that I am God." Who when the Lord is in the temple of the soul are hushed to stillness before Him. Then, though storm may beat above, there is calmness of the heart.

We are told that there was once a Hindoo woman, troubled, confused, burdened by the discordant voices which surrounded her. But one day she heard a voice which said "Peace I give unto you. Let not your heart be troubled. Come unto me all ye that labor and I will give you rest." She came she found that peace." So Ellen Laksme Goreh has written:

"In the secret of His presence how my soul delights to hide! Oh, how precious are the lessons which I learn at Jesus side! Earthly cares can never vex me, neither trials lay me low; for when Satan comes to tempt me, to the secret place I go.

"Would you like to know the sweetness of the secret of the Lord? Go and hide beneath his shadow: this shall then be your reward; and when e'er you leave the silence of that happy meeting place, you must mind and bear the image of the Master in your face."

inspired the boys there was Eli Morris, from way back yonder when Barium first began to play football; there was Ed Flowers and Charlie Gallyon, two moderately old timers; then there was Buck Brigance, Roy Wilson, Carson Wood, Arthur Roach, Ed Cole, just to name the football players. It was a good game and the fact that the weather cleared up just for the game made us all feel good. We are looking forward to clear weather for all the est of the games.

PRESBYTERIANS BEGIN DRIVE FOR FIVE HUNDRED NEW SUNDAY SCHOOLS

(Greensboro News)

Five hundred new sunday schools throughout the Southern Presbytrian church before the 86th general assembly meets at Montreat next May is the goal of the denomanation's department of country church and Sunday school extension, following the designation of this year as "Chapel Year," according to Henry W. McLaughlin director.

Taking the recent assembly at its word in calling for a great advance in this field, Dr. McLaughlin, supported by the entire staff of religious education forces, has projected a plan with a ration of one new Sunday School for each 1,000 members. This would mean 65 new Sunday Schools in North Carolina.

Replying to the possible criticism that the goal may be too large, Dr. McLaughlin declares, "It is not if we are willing to pray, plan and work for it. If one little church of only 28 members at Williamston, N. C., could organize 5 outpost schools, what can 1,000 members do?" Emphasizing the effect of such missionary effort upon the church initiating it, Mc Laughlin pointed to the fact that the Williamston church had grown from a membership of 28 to 274 in 10 years, the Sunday School increasing during the same period from 30 to 341.

Meetings are being held this month at Montreat to plan the strategy for this advance movement.

WOMAN'S BUILDING

"School Days, School Days,
Dear Old Golden Rule Days."

So goes our theme song for September. We were just as happy to start back to school as we were for it to end in May. The nine months of school will pass quickly and before we know it we'll be getting ready for vacations again, but we want to enjoy each moment as it flies by.

Speaking of enjoying things, we had our first football game Friday, September 14, and did we have fun? We yelled so much that many of us could hardly talk the next day. Our boys really put up a good fight, and we were so proud of them for winning the first game.

My, how good it seemed to have Toni DeLancey in front of our cheering section again. She went home for three months, but she came back a week ago. We practically raised the roof we were so glad to see her.

We started school with many good resolutions this year. All the girls in our building voted to have quiet for study, for an hour and a half each night, Monday through Friday. We hope it makes a difference in our report cards.

Now that gas is no longer rationed Mr. Johnston has promised that we may see a few football games away from Barium this year. We'll do our best to help cheer our boys to victory!

SYNOD'S

Hi Folks,

School has started and we are all as happy as we can be. We have two fourth graders, Billy Burke and David Thomas. We just can't wait until we get big and can bring a "Geography" book home too.

Mr. Johnston has resumed talking to us in the dinning room every Sunday morning after breakfast. We certainly have missed his talks and are so glad that he has started back. We often wonder if there is anything Mr. Johnston doesn't know about.

We have two new play mates. They are George Moore and James Woodall. We like them lots.

We saw our boys win our first football game Friday. We are so proud of our boys and we want to be just like them when we get big. As soon as we get a football, we are going to play some games too.

So long until next time.

LEE'S COTTAGE

It is time to say hello again. They have been painting our house and it sure does look nice. We will have to keep our hands clean or we will get the wall dirty.

We like to go to school and you might see some of our names on the honor roll.

We had our first football game Friday afternoon and won. We enjoy seeing the games.

It has been raining since Thursday and we have to stay inside. We will be glad to see the sun shine again.

BOY'S ESSAY ON A GOOSE—OR WAS IT A DUCK?

"The goose is a low heavy set bird, composed mostly of meat and feathers. His head sets on one end and he sets on the other. He cannot sing much on account of the dampness in the moisture in which he lives. There ain't no space between his toes and he carries a balloon in his stomach to keep from sinking. A goose has two legs on his running gear but they came pretty near missing his body. Some geese when they get big are called ganders. Ganders don't have to set or hatch, but jest loaf, eat and go swimming. If I was a goose, I'd rather be a gander."

HOWARD COTTAGE

Hello folks,

You should see our cottage now, it really looks like new. Our floors are so pretty you can almost see your self in them. We are going to get new beds also and then we will really ge fixed up. Some ladies from Mooresville are going to send us some pictures and things for our walls and rooms. We want every one to come and look at it when we get straightened out.

We had our first football game Friday with Mooresville. Our boys played a swell game and as you know we beat them three touchdowns. We enjoyed it so much and are really looking forward to our next game at home.

The leaves will soon be turning and that's when our campus is really the prettiest. We think the prettiest trees on the campus are right here in our front yard. Won't we have a nice time sweeping leaves thought.
